## Information and materials

Several items have been produced and published for information purposes. All the materials are available for download from the EnercitEE website. They can either be used for your own use or to provide information to others.

The first Joint European Flyer

([http://enercitee.eu/files/dokumente/Enercitee\\_Flyer\\_englisch.pdf](http://enercitee.eu/files/dokumente/Enercitee_Flyer_englisch.pdf)) in English is available and gives a short overview of EnercitEE, the sub-project priorities and the call for proposals. The flyer has been translated and distributed within the partner regions of EnercitEE.

- Flyer German ([http://enercitee.eu/files/dokumente/Enercitee\\_Flyer\\_dt.pdf](http://enercitee.eu/files/dokumente/Enercitee_Flyer_dt.pdf))
