The 2nd Call for Proposals

The 2nd Call for Proposals (<http://energitee.eu/Call/>) for EnercitEE sub-projects is currently open. Applications can be submitted to the coordination office until 4 March 2011. Up to six sub-projects can be approved in the second Call for Proposals.

A budget of around 935.000 EUR can be allocated for sub-projects. The recommended sub-project size ranges from 100.000 to 270.000 EUR.

The following sub-project priorities are open in the 2nd Call for Proposals:

- SP 2 Awareness raising policies (EE competitions and games)
- SP 4 Promotion & exchange of citizens' good practice examples on EE
- SP 5 Exchange of incentives and grant programmes for citizens
- SP 7 EE training instruments for public authorities' staff & knowledge exchange
- SP 8 Financing instruments as policies for local authorities
- SP 12 New instruments for local energy planning and implementation

Before submitting an application, the documents provided in the application pack (<http://energitee.eu/Documents/Application-pack-2nd-Call,69/>) should be studied. The Terms of Reference

(http://energitee.eu/files/dokumente/Terms_of_Reference_2nd_call.pdf) and the EnercitEE Strategy Paper (http://energitee.eu/files/dokumente/EnercitEE_Strategy_Paper.pdf), in particular, have to be read carefully. Practical information on how to set up a sub-project application can be found in the handbook for SPP

(http://energitee.eu/files/dokumente/EnercitEE_handbook_for_SPP_-_updated_version_22_February_2011.pdf).
